

Title: Rumba De La Noche

Composer: Sergio Ercole

Key : E minor

Time : 4/4

Style: Rumba

Form:

About: Here is a Rumba I wrote in the style of Paco Pena. It is in Em and features a typical 3-3-2 accompaniment with melodic passages (or falsetas) in first position. There are no tricky stretches and it should all feel fairly straight forward. There is some slow Rumba Strumming towards the end.

Notes

- The harmonic and melodic content are treated fairly separately, with arpeggios played and then the melody.
- Features quite a lot of E minor scale in various forms
- A nice rumba pattern at the end that can also be played throughout behind the main melody.

Tech Work
